**28.721a Legislative declarations; determination; intent.**

Sec. 1a. The legislature declares that the sex offenders registration act was enacted pursuant to the legislature's exercise of the police power of the state with the intent to better assist law enforcement officers and the people of this state in preventing and protecting against the commission of future criminal sexual acts by convicted sex offenders. The legislature has determined that a person who has been convicted of committing an offense covered by this act poses a potential serious menace and danger to the health, safety, morals, and welfare of the people, and particularly the children, of this state. The registration requirements of this act are intended to provide law enforcement and the people of this state with an appropriate, comprehensive, and effective means to monitor those persons who pose such a potential danger.

The notice shall be sent by first-class mail to the victim's last known address. The petition shall include a statement of the victim's rights under subsection (10).

(9) If an individual properly files a petition with the court under this section, the court shall conduct a hearing on the petition as provided in this section.

  - (e) The petitioner successfully completed a sex offender treatment program certified by the United States attorney general under 42 USC 16915(b)(1), or another appropriate sex offender treatment program. The court may waive the requirements of this subdivision if successfully completing a sex offender treatment program was not a condition of the petitioner's confinement, release, probation, or parole.
